

CUSTOMER COMMITMENT CONTRACT

It is Mark-Pack, Inc.'s intention to serve our customers to the very best of our ability. But due to the number of product lines and items that we sell, it is not possible for us to have all of these readily available. However, we are willing to bring these Special Order items into our warehouse if you are willing to commit to purchasing them in a timely manner (releases at least every 60 days).

This can be done by filling out the form below and attaching it to a purchase order for the items you are asking Mark-Pack to inventory in our warehouse. Mark-Pack will then order the materials and begin to release them according to your purchase order instructions. If at any time during the term of this agreement 60 days pass without a release of material, Mark-Pack reserves the right to ship and invoice the balance of the product in our warehouse to you against the attached purchase order.

The purpose of this form is to create a "Win-Win" situation. We win by having you as a customer and you win by knowing that your material will be in stock and available when you need it.

Please fill in the blanks below completely and attach a purchase order. Reference the product, price and release schedule and your sales specialist will do the rest! Thank-you for your business and trust.
